

Information for you who rent kayaks

- The code for the toilets is 1952
- When you return the kayaks please pull up the kayaks on the large floating jetty and then carry the kayaks directly up to the upper deck before unpacking and cleaning.
- When you return, clean the kayaks. There are buckets of sponges and rags on the dock. Sponge the kayak outside and wipe the inside with the cloth.
- The kayaks are returned no later than 16:45.
- Hang lifejackets and spraydeckcovers on the kayak trailer. Place the paddles next to the trailer.
- Notify staff that you are back and they will show you where to leave the kayaks.
- Garbage is left at the garbage station in the car park, code 1947.
- Never make fires on the rocks or in nature reserves. Take care of the nature.
- Be careful of the kayaks, lift ashore, do not drag.
- Do not lay the kayaks upside down as the rudders can be easily damaged.
- Do not leave any rubbish or other debris on the islands.
- Hope you will have a fantastic kayaking and experience and enjoy our beautiful archipelago!
